

ACKNOWLEDGMENTS

The publisher (dbS Productions) wishes to acknowledge the contributions of the following individuals in the design, development, and presentation of the Lost Alzheimer's Disease Search Management training program and instructor's manual. The combined experience, skill and expertise of these specialist along with the suggestions, modifications, and additions provided by our expert reviewers has led to the creation of a comprehensive resource document that should be of great value to all law enforcement and search professionals who participate in searches for missing Alzheimer's disease and related disorders subjects.
